CAPACITI NETWORKS HIRES REGIONAL ACCOUNT MANAGER FOR COLUMBUS, OHIO MARKET

San Antonio-based ISP hires Scott McDonald for business ISP sales

San Antonio, TX, June 26, 2014– Capaciti Networks, a wholly owned subsidiary of Competitive Companies Inc. (OTCQB:CCOP) today announced the hiring of Scott McDonald as Columbus, Ohio Regional Account Manager. McDonald has more than 25 years of experience in the technology and telecommunications sales arena in the Ohio area, including a highly successful stint as senior sales executive for Earthlink Premiere Business Solutions.

“Scott not only knows the Ohio market, he has extensive experience with every aspect of the business telecom environment,” said Johnnie Leal, National Sales Director of Capaciti Networks. “Capaciti has already been well-received in our beta market of Columbus and with the addition of Scott we expect to expand our market share significantly.”

As an introduction to the market, Capaciti is offering free standard installation, a month-to-month option, speeds up to 100 Mbps and plans starting at just \$59.

“Columbus is a fantastic market for Capaciti because businesses are ready for an alternative to the existing, limited choices by big name providers,” said McDonald. “We understand the unique problems of small-to-medium sized business owners who want to do things like run VoIP and cloud services and we have can offer them a broadband solution that’s cheaper, faster and better.”

San Antonio is the second market for Capaciti Networks, with the first network being in Columbus, Ohio. Speed tests on the Columbus network have clocked smartphone downloads over 100 Mbps and laptop speeds at more than 200 Mbps.
